PRESIDENT TRUMP -- I AM HOLDING YOU TO THESE WORDS IN YOUR MOST IMPRESSIVE AND IMPORTANT VIDEO EVER. If you do not fight, I/we will feel abandoned. By fight, I mean use the Insurrection Act, your EO or Martial Law (in any way you need to defend me, us/the Republican). (www.bitchute.com)

I believe Trump will go nuclear. Why? The left has promised to harm him and his beloved children. They aren't kidding about their promise to imprison him. Based on how he's been treated since 2016, I am sure Trump knows they're not kidding. Also, Trump is 74 years old and has always lived big and bold. He loves America and he knows Team Scumbag will destroy our nation. There's every reason for him to throw down mega-hard and sail into history.

1 Grow a set of balls. Freedom isn't free, someone isn't going to hand it to you on a platter. If you want to be free then get to DC.

0 Many of us have been to a dozen rallies, including Mt Rushmore, so you are ill-informed. Dozens of us are going to DC on the 6th and openly carrying, so I'm guess'in if I had a pair they would be bigger than yours (but you are Dem troll I reckon posing as a Trump fan). The post is valid because Trump is influenced by COS who is a Mitch McConnell puppet.
